

EVOLUTION OF COMPUTER

A large educational poster detailing the evolution of computers. It is organized into two rows of boxes, each containing an image of a device, its name, and the inventor's name and dates.

Device	Inventor	Dates
Abacus	Abacus	
Napier's Logs	Johann Napier	1588-1614
Pascal's Adding Machine	Blaise Pascal	1623-1662
Leibniz's Calculator	Gottfried Wilhelm Leibniz	1646-1716
Babbage's Difference Engine	Charles Babbage	1791-1871
Babbage's Analytical Engine	Charles Babbage	1791-1871
Hollerith's Machine	Herbert A. Hollerith	1861-1929

At the bottom of the poster, it says "Teaching ... means ... tomorrow".
